COMPANY PROFILE

ABOUT US

19 years production experience on PU molded foam products

10000 m²	6000 tons	32 sets	130 million
Factory area	Annual output	Large-scale equipment	Annual sales

Finehope has an annual output of 6,000 tons, has 32 large-scale equipment, and 12 independent research and development and manufacturing automatic assembly lines. Finehope's advantage is from the research and development of raw materials and formulas to the independent completion of mold design and manufacturing.

Cooperative customers include Fortune 500 companies such as Caterpillar and Honeywell. Finehope has obtained ISO9001, IATF16949 and FDA certificates.
