

Building Material

The collage features four circular insets on the left side, each showcasing a different building material. The top inset shows a white, fluted decorative base. The middle inset displays a stone pillar with a mix of grey and brown tones. The bottom inset shows a white baluster with a decorative top. The main image on the right is a photograph of a stone-clad porch with white columns and a wooden railing, set against a backdrop of trees with autumn foliage.
