

Feature:

Waterproof, antibacterial, non-slip, self-cleaning, fireproof,
 Easy to clean, non-slip, fireproof, good wear resistance, good impact resistance,
 Soft, comfortable, anti-fatigue, multi-purpose, anti-fatigue, anti-corrosion,
 Anti-corrosion, anti-humidity, anti-crack, mothproof, anti-ultraviolet
 No radiation, non-toxic and ecological

Specification

Anti-fatigue mats are beneficial for the thigh and lower leg or foot, offering a unique feeling from head to toe. The anti-fatigue mat is a natural shock absorber and can quickly bounce back to the smallest weight shift, promote blood flow to the feet, legs and lower back. The anti-fatigue mat is designed for the optimal degree of softness to minimize the painful and painful consequences of standing for prolonged periods and to reduce the stress and tension of standing. Anti-fatigue mats have been designed to promote better posture, proper circulation, muscle tone and a sense of well-being. In addition, the mats reduce fatigue and discomfort associated with stress and the stress of a long-term static position.

1	Material	Polyurethane (PU), an advanced and reliable material,
2	MOQ	100pcs
3	cut it	as your requirement
4	technical	handmade and machinery
5	finished	PU self-leather
6	payment deadline	T / T
7	Packaging	Normal corrugated export carton according to customers' request
8	use	mat, kitchen mat
9	Customer care	Size, material, style can be custom made
10	delivery time	40 days after receiving the deposit
11	observations	Your satisfaction is our utmost affirmation and if you have problems please contact us.
