"One Stop" OEM/ODM Service For 20 Years Between *Finehope* And Fortune 500 Customers

As one of the top 500 enterprises in the world, Caterpillar is a world leading manufacturer of construction machinery, mining equipment, diesel and natural gas engines, industrial gas turbines and diesel electric locomotives. From 2011, Finehope and Caterpillar began to cooperate to provide Caterpillar with mudguards for construction vehicle rollers.

As the largest forklift spare parts and second-hand forklift supplier in Europe, TVH provides different types of forklift spare parts for countries around the world. From 2012, Finehope provided more than 100 kinds of forklift accessories for TVH.

Honeywell

Honeywell is one of the top 500 high-tech enterprises in the world. It provides the world with customized aviation products and services, building and industrial control technologies, and characteristic materials. It is committed to connecting everything from aircraft, cars, buildings, factories, supply chains, and workers, so that the world can achieve a more intelligent, safe, and sustainable long-term development. From 2019, Finehope provided Honeywell with rollers for airport and other logistics conveyor belts.

STIGA

Stiga Group is a leading European manufacturer and distributor of lawn mowers and various electric garden tools, distributing and selling its products in more than 70 countries/regions around the world. From 2013, Finehope provided various types of lawn mower seats and steering wheel products for Stiga.
